## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.

### ***Terminal Disclaimer***

2. The terminal disclaimer filed on July 31, 2007 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of US Pat Number 5,789,711 has been reviewed and is accepted. The terminal disclaimer has been recorded.

### ***Allowable Subject Matter***

3. Claims 14, 16-17, and 27-30 are allowed.
4. The following is an examiner's statement of reasons for allowance: This invention deals with a data cable comprising an interior support' being unshielded wherein the support has a cylindrical longitudinal extending central portion, a plurality of projections extending from the central portion; each projection of said plurality of projections being adjacent to two other projections of said plurality of projections, said plurality of projections forming a plurality of adjacent projections; an open space defined by each of said plurality of adjacent projections; said cable covering contacting each projection; only one twisted pair conductor from said plurality of twisted pair conductors disposed in

each open area space; and wherein said cable covering includes an overall shield (claim 14). This invention also deals with a data cable comprising an interior support being unshielded wherein the support has a cylindrical longitudinal extending central portion, a plurality of projections extending from the central portion; each projection of said plurality of projections being adjacent to two other projections of said plurality of projections, said plurality of projections forming a plurality of adjacent projections; an open space defined by each of said plurality of adjacent projections; said cable covering contacting each projection; only one twisted pair conductor from said plurality of twisted pair conductors disposed in each open area space (claims 27 & 30). The above stated claim limitations, is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
